Heaven is being
Perfect,

And Perfection has
no limits

Why Choose Us?

Our single minded attitude towards complete customer satisfaction through utmost product quality and on-schedule product readiness.

Our Vision

Become the most trusted name in “Transformer Manufacturing” within the Power Distribution & Transmission sector in India

Our Mission

With the help of technology & systems approach become a fully automated transformers manufacturing company

Established
1986

Capacity
65MVA per month

04

Manufacturing Units

1.51L

Sq. Ft Area in production

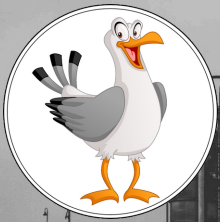

75+

Employees & Engineers

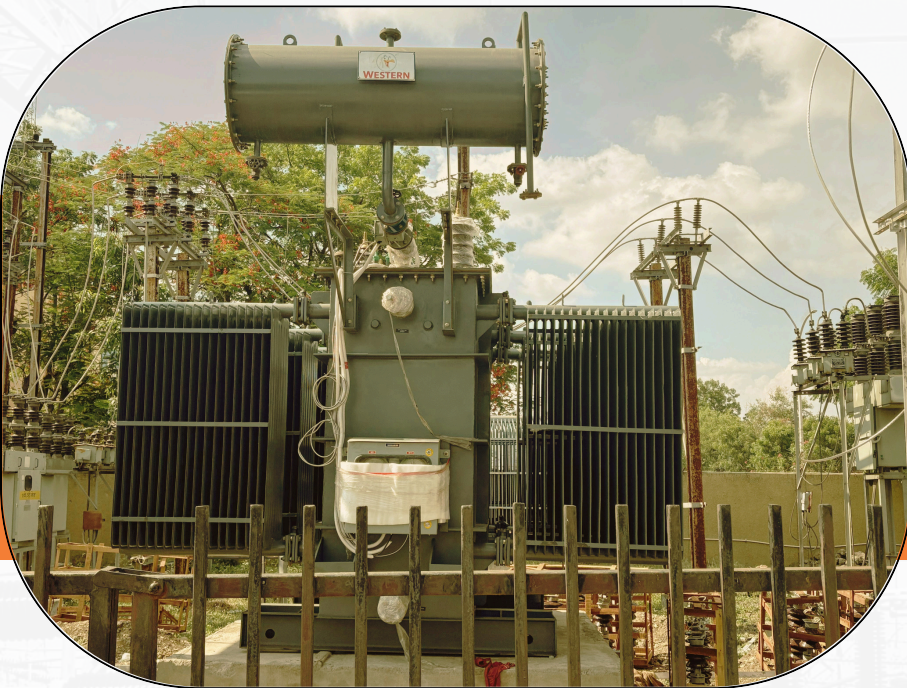

Established
2026

Capacity
10MVA per month

Products

Inverter Duty Transformers

Solar / Wind

Up to 13.2MVA

HV: 33, 22, 11, 6.6, 3.3 KV

LV: 200 to 1,000 V

On-Load & Off-Load Tap Chaneger

Power Transformers

Sub-stations / Grid

Up to 12.5MVA

33KV & 11KV Class
IS:2026 (2011) Part 1

Products

Distribution Transformers Off-Circuit Tap Changer (OCTC)

Up to 2.5MVA

33, 11 KV Class

Copper & Aluminum Winding

IS:1180 Part 1

Distribution Transformers

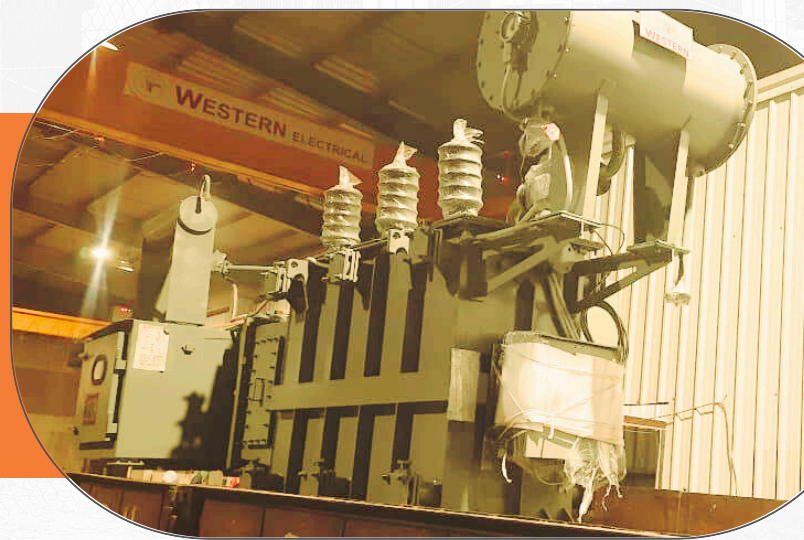

On-Load Tap Changer (OLTC)

Up to 12.5MVA

33, 11 KV Class

Suitable for Industrial Applications

IS:1180 Part 1
